Rs 1359-1-1 in the year 1919, Rs 995-15-6 in the year 1920 and Rs 912 15-4 in the year 1921. The excess expenditure has been met all along from the Sri Brahendra moulswarowami temple funds at Siddalingapura, Mysore Taluk.

4. The point for consideration and orders is whether the expenditure should be curtailed to the allotment made or addl provision found to meet the excess. Curtailment may, perhaps, be out of question, as feeding has to be carried on during the 30 days of Jalamasa & no Brahmins ~~could be refused food~~, who go there at the time of feeding, can be refused food.

5 As some more chattrams were recently converted into rest-houses, viz those at Kadur & Farikere & the conversion of the Shimoga chattram into a Rest-house is under correspondence, the addl provision required may, perhaps, be found from the savings thus effected.

Besides the above, no other chattrains seem to have been abolished.

8. If the sum of Rs 2000 noted in (1) cannot be availed of permanently, then only Rs 690 per annum is available.

8d 17/7/22 subd. q. This amt. of Rs 2690 is too small ^{to meet} ~~for~~ ^{to meet} the requirements of all the three institutions for which addl funds are required viz Tripali Chautia, Barabazar Santapane, and Zulamora Santapane. So it seems best to have this amt. at the control of govt. to be used as occasion may arise.

Dear Sir,

Regarding the expenditure incurred in recent years in excess of the allotment of Rs.1500/- made for the Tulamasa Santarpane for Smarthas and Madhwas at Paschimavahini and for Sri Vaishnavas at Seringapatam, I am desired to state that it has been found difficult to meet the excess expenditure incurred year ~~and~~ after year.

I am here free to ascertain for the information of the Government
~~Government would be glad to know if the~~

expenditure can be limited to the amount budgetted for and available.

GEN. & REV. SECRETARY

The Palace,

Mysore 4th November 1922.

Dear Mr. Jayarama Iyer,

With reference to your D.O. letter No.619/Muz. 187-21 dated the 5th August 1922 wishing to know for the information of Government whether the expenditure incurred for the Tulamasa Santarpane at Seringapatam and Paschimavahini cannot be limited to the budgetted amount of Rs1500/-. I am desired to state that the question of reducing the cost has been under consideration for a long time. Several proposals, such as the reduction in the number of days during which pilgrims should be fed or fixing the maximum number of persons to be fed on each day, etc have been thought of. There are, however, many practical difficulties in carrying them out into effect. I am to add that special precautions are being taken this year to eliminate waste and check issues as much as possible. After gaining experience of such measures during the current year, I shall submit a further communication later on.

Yours sincerely,

J. Rajagopal
